

Módulos de conexão pendente

01 9054 - módulo de conexão 1 lado

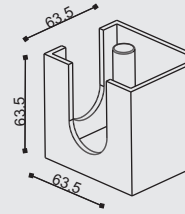

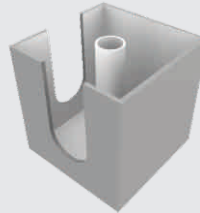

Módulos de conexão pendente

01 9056 - módulo de conexão 2 lados

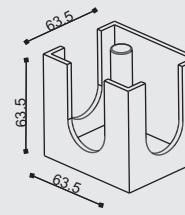

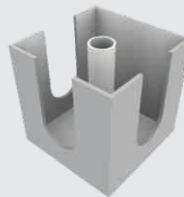

Módulos de conexão pendente

01 9055 - módulo de conexão 2 lados 'L'

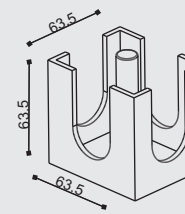

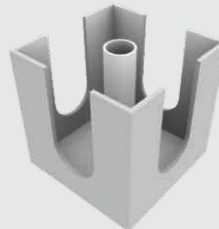

Módulos de conexão pendente

01 9057 - módulo de conexão 3 lados

Módulos de conexão pendente

01 9058 - módulo de conexão 4 lados

Especificação: Sistema modular composto de módulos de conexão e módulos de lâmpadas em perfil de alumínio tratado e pintado por processo eletrostático. Possibilita vários tipos de montagem para diversas aplicações.

Cores padrão: Branca, preta e cinza.

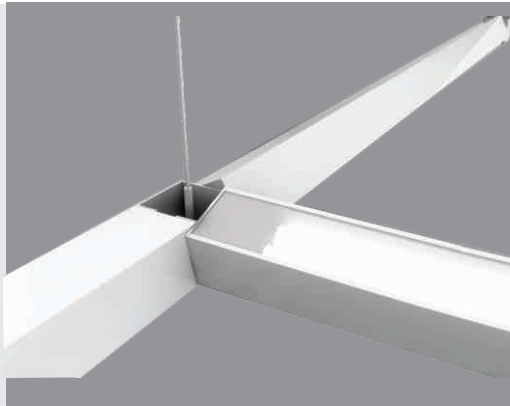

Modulo em alumínio pintado por processo eletrostático para conexão de pendentês. Fixação através de canopla.

* acompanha cabo de aço (1,5m) e canopla bala

Sistema vector
